## **For the manager/owner of the care home/facility**

The closing date for applications is 29<sup>th</sup> March 2010

Judging will take place on 12th April 2010 and the winners will be notified in writing.

The show garden will be ready to install at the care home/facility in the week beginning 7.6.10 please ensure that the garden is in a good state of repair and is ready to receive the show garden and sculptures.

After the installation of the garden/sculpture, the care home will be required to hold an unveiling ceremony where members of the local press will be invited along with local dignitaries. Light refreshments should be made available to visitors.

The images from the unveiling will be placed within an exhibition detailing the story, and therefore the care home will be required to sign a 'Model Release Form' to allow the use of photography to be used for promotional purposes.

The artist will be returning to visit the garden in 2011, for a follow up story and to see how the garden has benefited the lives of the residents, staff, careers and visitors.

The artist will try to ensure that the residents of the care home/facility receive as little disruption as possible during the installation of the show garden and sculpture.

After installation of the sculpture and garden, the care home/facility will take responsibility of the maintenance and care of the sculpture and garden. If at any time within three years from the time of installation, the artist must be informed if for any reason the sculpture is to be removed.

Please sign below to state that you agree with all the terms stated above, failure to comply with any of the rules of the competition will result in the removal of the garden and the offer going to a different care home/facility.
